

Foundation Degree in Business and Management (FdA)

Date: Commencing 1st October 2010

The GTA University Centre, in partnership with Bournemouth University, is pleased to announce the launch of a Business Management Foundation Degree. This prestigious qualification will be delivered on-island by highly experienced lecturers from Bournemouth University commencing October 2010.

What is a Foundation Degree (FdA)?

Foundation Degrees are degree level qualifications which combine academic study with work place learning.

Why Study the Business Management FdA?

This Foundation course in Business and Management is an ideal choice if you are looking for a course that offers a wide range of business subjects covering areas such as Marketing, Human Resource Management, Finance and Management.

How Long Is a Foundation Degree?

The degree will be delivered part-time in Guernsey and will take three years to complete.

How Will it Help My Career?

Crucial to a successful career, the course has been designed to ensure that you develop a wide range of key skills including presentation skills, organisational skills, team work, information technology and research.
